No Industry Districts in Rajasthan

1281. SHRI SANTOSH BAGRODIA: Will the Minister of INDUSTRY be pleased to state:

(a) whether Government have made any survey for 'No Industry Districts' in all the States;

(b) if so, the names and other details of such districts, particularly the districts of Rajasthan; and

(c) the steps being taken to convert the 'No Industrial District' into industrial districts?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) to (c) The districts which did not have any large or medium scale industry existing as per District Industries Centre Action Plans for 1979-80, have been identified as 'No Industry Districts'. Sirohi, Jaisalmer, Churu and Barmer are the 'No Industry Districts' identified in Rajasthan. The names of other 'No Industry Districts' in the country are given in the Booklet "Incentives for industries in backward areas" (updated upto Oct. 20, 1986), copies of which are available in the Parliament Library.

Industrialisation of specific districts/areas is primarily the responsibility of the State Government concerned. The Central Government supplements their efforts by providing various incentives and concessions to the industrially backward districts identified by the Central Government. Entrepreneurs setting up industries in 'No Industry Districts' are eligible for overriding priority in grant of licences, Central Investment Subsidy at the highest rate, i.e. 25% subject to a maximum of Rs. 25 lakhs (enhanced to Rs. 50 lakhs for setting up electronic industries in hill districts of No Industry Districts), exemption from export obligation to MRTP/FERA Companies, Concessional finance, Tax concessions, hire purchase of machinery by Small Scale Industries, etc. Capital Assistance subject to a maximum of Rs. 2 crores per 'No Industry District' is also provided for development of infrastructural facilities in identified growth centres in these 'No Industry Districts'.
